

Root-Riot: Harambee Gardens site map

phase II
 Second phase extends the gardens to the south and west adding additional community beds, and production beds will be added based on residents and curriculum needs. Naturalized Prairie Area is also started in this area.

phase III
 Third phase adds the same elements from phase II, with the additional of a second community gathering space. Allocation of new elements will be based on future state programming needs.

- Phase i**
- Connects Harambee Garden South to the plaza space west of North Waller Ave
 - Reaches across W Race Ave and connects to Douglass Academy just to the North.
 - Bed placement defines the common community area.
